HONORING CRYSTAL GLOBE
AWARD WINNER FRANKIE FESKO**HON. PETER J. VISCLOSKY**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 2, 2011

Mr. VISCLOSKY. Mr. Speaker, it is with sincere admiration that I recognize the Asian American Medical Association, which is hosting its 35th Annual Gala on Saturday, November 5, 2011, at the Avalon Manor in Merrillville, Indiana. Each year, the Asian American Medical Association pays tribute to prominent, outstanding citizens and organizations for their contributions to the community. In recognition of their efforts, these honorees are awarded the prestigious Crystal Globe Award at this annual banquet.

The Asian American Medical Association has always been a great asset to Northwest Indiana. Its members have selflessly dedicated themselves to providing quality medical services to the residents of Indiana's First Congressional District and have always demonstrated exemplary service through their many cultural, scholastic, and charitable endeavors.

At this year's Annual Gala, the Asian American Medical Association will present the Crystal Globe Award to one of Northwest Indiana's finest citizens, Frankie Fesko. For her outstanding accomplishments and charitable contributions to numerous organizations, she is worthy of such an honor.

Frankie graduated from Illiana Christian High School and continued her education, earning a bachelor's degree from Depauw University and a master's degree from Purdue University. Frankie then spent many years as a teacher for the School City of Hammond and the School Town of Munster. She also worked as a Supervising Teacher at Purdue University Calumet in Hammond.

Frankie has been a true inspiration when it comes to community service, devoting much of her time and efforts to serving so many in need throughout Northwest Indiana. Her amazing compassion and generosity led her to become involved in many charitable organizations throughout the years. Frankie has chaired many events including: the Perennial Ball, which is a fundraiser for the Community Cancer Research Foundation, the Share and Love annual luncheon fundraiser for the Cancer Resource Center in Munster, and Briarfest, which benefits a different organization every year and has supported the National Kidney Foundation, Hospice of the Calumet Area, the Humane Society, Campagna Academy, and the Boy Scouts of America. Additionally,

Frankie serves as a board member for many charitable organizations including: the Munster Medical Research Foundation, the Community Cancer Research Foundation, and the Legacy Foundation. Frankie serves as Chairwoman of the Board for the Community Foundation of Northwest Indiana, which is a non-profit organization that works to improve the health and quality of life for people in Northwest Indiana. The businesses that the foundation operates include three non-profit hospitals in Northwest Indiana: Community Hospital in Munster, Saint Catherine Hospital in East Chicago, and Saint Mary Medical Center in Hobart. The foundation has also been instrumental in the development of The Center for Visual and Performing Arts, the creation and operation of the Community Cancer Research Centre Foundation, and the donation of land to create the Edward P. Robinson Community Veterans Memorial and Hartsfield Village Retirement Community in Munster. For her exceptional dedication and passionate support to so many charitable endeavors, Frankie was awarded the very first Community Leader Award at the Northwest Indiana's Most Influential Women of the Year Awards Banquet in June 2011.

Mr. Speaker, I ask that you and my other distinguished colleagues join me in commending the Asian American Medical Association, as well as this year's Crystal Globe Award recipient, Frankie Fesko, for their outstanding contributions to their communities and beyond. Their unwavering commitment to improving the quality of life for the people of Northwest Indiana and throughout the United States is truly inspirational. For these reasons, the Asian American Medical Association, its members, and Frankie Fesko are to be recognized, and I am proud to serve as their representative in Washington, DC.

HONORING THE MEMORY OF JOHN
J. NALBONE, SR.**HON. BRIAN HIGGINS**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 2, 2011

Mr. HIGGINS. Mr. Speaker, today I rise to honor a longtime leader in the field of aviation—the late John J. Nalbone Sr. Mr. Nalbone dedicated his life to the field of aviation and was tireless in his efforts to make the skies accessible to many of his friends, family and neighbors in his hometown of Dunkirk, NY.

Mr. Nalbone was fascinated with flying since boyhood, and shortly after graduating from Jamestown High School he went off to Leroy, NY where he was chosen to undergo early government training in the field of modern aviation. This training became essential part of America's defense system as the United States entered World War II in 1941. At this time John was assigned to the 54th Flight Training attachment at Dorr Field in Acacia, FL where he was the primary instructor for Sherman Biplanes until the end of the war.

After the war, John and his wife relocated back to Western New York, where he became a civilian flight instructor and was able to open his own flight school at Werle Field, a small grass strip equipped only with runway lights. John soon realized that through instruction, pilot exams, and rebuilding of aircrafts he could continue to pursue his love for flying while providing a modest lifestyle for himself and his family.

By 1960, Mr. Nalbone became the manager of the Dunkirk Airport while still maintaining his own airfield, instruction school and building several of his own aircraft including a Steen Skybolt, and a Grumman Tiger which he flew into his mid 80's.

During his lifetime, John was the recipient of numerous aviation awards including the FAA's Lifetime Achievement Award in both 1996, and 2003. Mr. Nalbone was also awarded the prestigious Charles Taylor Mechanics Award, which is presented to aviators with 50 or more years of service in the aviation industry.

Mr. Nalbone passed away at the age of 93. He is survived by his three children and six grandchildren. Clearly, Mr. Nalbone passed his love of aviation along to his family. I have dealt very often with his son Lou, who currently serves as President of Dunkirk Aviation, and who remains Chautauqua County's most tireless advocate for aviation in New York's Southern Tier.

Mr. Speaker, it is my honor to ask you and our colleagues to extend the sympathies of the House to the family of John J. Nalbone Sr., to recognize his contributions to our military and to his community, and for his commitment to the United States of America, and to Western New York.
